

The Names Of God

“And those who know your name put their trust in you.” - Psalm 9:10. God has many names, and they all give us a glimpse of who He is. Knowing the names of God is a part of knowing God himself, and as we know God deeper we can begin to trust him more fully. For the lonely, Jehovah Shammah is present. For the addict, Emunah is faithful and Nosah is forgiving. For the victim, Rachum is loving and Mispah is just. In any circumstance, God meets you with the fullness of who He is.
